Profile

A trained stonemason and carver with a thorough understanding of mass masonry structure and knowledge and experience using traditional mortars.

Experience

Sole Proprietor, Fundy Stonecraft; Sackville, NB - Apr 2012 - ongoing
Fundy Stonecraft creates and restores traditional masonry structures using traditional tools, techniques, and materials. See fundystonecraft.ca for a description and catalogue of past projects

Banker Mason/Stonemason, RJW Stonemasons Ltd, Ottawa, ON - Mar 2018 - Jun 2018, Jan 2019 - Apr 2019

High production banker masonry, producing carved stone for the new Visitor's Welcome Centre on Parliament Hill.

Stone Carver, Smith & Barber Sculpture Atelier Inc, Ottawa, ON - Sep 2017 - Feb 2018

Templated and carved stone for monuments, fireplaces, and architectural carvings using flush mount grinders, pneumatics, and hand tools.

Banker Mason/Stone Carver, Atlantic Sandstone Company Inc, Scoudouc, NB — 2011-2012

Measured and templated replacement stone and dutchman repairs. Used saws, pneumatics, and hand chisels to fabricate building stone and ornamental stone.

Silviculture worker/foreman/first aid attendant, Little Smokey Forestry Service, Sitka Silviculture, Brinkman Reforestation — 2004-2010

Led forestry crews (10-15 workers) in remote worksites; organized the movement of supplies and workers in helicopter, truck, and ATV operations; setup and maintenance of remote work camps.
